Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 18 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry overnight and into Saturday. Unsettled on Sunday.

This Evening and Tonight:
Any residual rain will soon clear, leaving the region dry throughout the evening and night. Staying rather cloudy, although thicker cloud will slowly drift away, allowing for some clear spells during the small hours. Minimum temperature 9 deg C (48 deg F).

Saturday:
Largely cloudy with the best of any sunshine during the afternoon. Staying dry throughout the day, although an area of showery rain will push northwards overnight. Feeling warm. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Widespread showers on Sunday, some heavy and with a potential for thunder. Showers again on Monday although less frequent. Turning drier on Tuesday but showers still possible. Feeling cool throughout.
